

QKidney[®] Results Sheet

Today's Date		Date of Birth	
Name		Age	

Body Measurement	Result
Height (cm)	
Weight (kg)	
Body Mass Index (kg/ m ²)	
Blood Pressure (mmHg)	

QKidney [®] Risk	
---------------------------	--

Speak to your general practitioner about your results

At the first available opportunity

In the next week or two

At your next planned visit

If you are at increased risk of developing moderate or severe kidney disease you should ask your general practitioner for a Kidney Health Check which includes: blood tests, urine tests, and blood pressure.
