

Fully Equipped Rally Vehicles:	Back-Up/Kruise/Official Vehicles:
<ul style="list-style-type: none"> ❖ A tripmeter (rally computer) that reads to one-hundredth of a kilometre e.g. Halda, Terratrip or similar. (GPS Apps may also be used if required). Compulsory ❖ Fire Extinguisher (needs to meet with Australian Standards) easily accessible and firmly mounted. No more than 2 years old or at least checked and certified within that time. Compulsory ❖ A minimum 5 litres of drinking water. Compulsory ❖ A good quality Snatchem Strap (not tow rope or chain). Compulsory ❖ Mud flaps or stout material for each driving wheel (mud flaps must be at least 100mm off the ground when vehicle is fully loaded). Compulsory ❖ If your vehicle cannot cover 400kms between fuel stops under rally conditions, sufficient fuel must be carried in one or more 20 litre fuel containers (meeting with Australian Standards). Compulsory ❖ UHF Radio. Fitted and in working order. Compulsory ❖ A large amber <u>rotating</u> light (approx 75 watt), on the roof of the vehicle, for use in dusty conditions. Must be unobstructed and easily visible from the rear (strobe lights will not be allowed under any circumstances). Compulsory. ❖ Sleeping gear (minimum sleeping bag for each krew member). Compulsory. ❖ Seat belts must be fitted to the vehicle for each krew member and worn at all times. Full harness seat belts are Highly Recommended. ❖ A centrally mounted tow ball is COMPULSORY for the front of the vehicle in case of breakdowns. Must not protrude from the front of the vehicle, hence the tongue & ball may be unbolted and stored in the boot. D-shackles (rated equal to 3½ tonne) are now compulsory when using snatch straps. Securely mounted (safety rated) rear towing point is also Compulsory ❖ A blue triangle sticker locating the battery position (approximately 50mm). Compulsory ❖ Cargo Barrier (or secure load). Compulsory ❖ First Aid Kit. Needs to meet with Aust Standards. Compulsory ❖ Two reflective triangles. Compulsory ❖ De-Ditching shovel. Safely stored. Compulsory ❖ Laminated windscreen. Compulsory ❖ Sump guard. Compulsory ❖ A reliable watch/clock. Compulsory ❖ A space of at least 800mm x 450mm must be kept clear on each front door, or an area approved by the organisers, for the official door decals supplied by Kidney Health Australia. Compulsory. NO decals of any other event are to be displayed on Kidney Kar Rally vehicles. ❖ A Hema Australia Road Atlas (B4 size – includes 4WD section). Compulsory ❖ A 4-point roll cage may be fitted should you feel it will increase the safety aspect of your vehicle. ❖ An Engineer's Certificate for NSW registered vehicles, or equivalent for vehicles registered in other states, for any major modification made to the vehicle, including a roll cage. For more information, contact your State Motor Registry Office. Compulsory ❖ Garbage Bags for rubbish. Compulsory ❖ Minimum Third Party Property (Vehicle) Insurance. Compulsory 	<ul style="list-style-type: none"> ❖ Fire Extinguisher (needs to meet with Australian Standards) easily accessible and firmly mounted. Compulsory ❖ Hema Australia Road Atlas (B4 size - includes 4WD section). Compulsory ❖ Speedo, or trip metre, that reads to at least one-tenth of a kilometre. Highly Recommended. Rally computers e.g. Halda or Terratrip, that read to one-hundredth of a kilometre, are optional. GPS Apps may be used if required. ❖ Minimum Third Party Property (Vehicle) Insurance. Compulsory. ❖ Sufficient fuel should be carried to cover at least 400kms. A 20 litre fuel container (meeting with Australian Standards) is Highly Recommended.
<p>RALLY: These kars compete in the rally section and follow the rally course that has been set by the organisers.</p> <p>KRUISE: These kars stay on the better roads, bitumen where possible, and meet up with everyone for meals and overnight stops. Kruise kars CANNOT travel through the rally course at any time.</p> <p>BACK-UP: These kars are optional and can be nominated by a rally entrant to travel as their support vehicle. Back-ups are allowed to travel through the rally course, but ONLY at the back of the field with the Sweep Vehicles, or use the Kruise course. *</p> <p>* (Failure to follow this rule will cause the nominating rally kar to incur penalty points for each violation).</p>
